

## **Iced Rum Coffee**

- 2 c strong coffee, regular or decaf
- 1/4 c spiced rum
- 2 T sweetened condensed milk
- 6 ice cubes

Place coffee and condensed milk in the refrigerator for a few hours to chill.

In a Vitamix or a blender, combine all ingredients and blend for 20 seconds. Serve immediately, or refrigerate and stir before serving. Makes 2 servings, unless you're extra thirsty.
